23 *SEC. 210. SENSE OF SENATE WITH RESPECT TO PRO-*  
 24 *MOTING TRAVEL AND TOURISM. (a) FINDINGS.—Congress*  
 25 *finds that—*

1           (1) an effective public-private partnership of  
2       *Federal, State, and local governments and the travel*  
3       *and tourism industry can successfully market the*  
4       *United States as the premiere international tourist*  
5       *destination in the world;*

6           (2) the private sector, States, and cities currently  
7       *spend more than \$1,000,000,000 annually to promote*  
8       *particular destinations within the United States to*  
9       *international visitors;*

10          (3) other nations are spending hundreds of mil-  
11       *lions of dollars annually to promote the visits of*  
12       *international tourists to their countries, and the*  
13       *United States will miss a major marketing oppor-*  
14       *tunity if it fails to aggressively compete for an in-*  
15       *creased share of international tourism expenditures as*  
16       *they continue to increase over the next decade;*

17          (4) a well-funded, well-coordinated international  
18       *marketing effort, combined with additional public*  
19       *and private sector efforts, would help small and large*  
20       *businesses, as well as State and local governments,*  
21       *share in the anticipated growth of the international*  
22       *travel and tourism market in the 21st century; and*

23          (5) a long-term marketing effort should be sup-  
24       *ported to promote increased travel to the United*  
25       *States for the benefit of every sector of the economy.*

1       (b) *SENSE OF THE SENATE.*—*It is the sense of the Sen-*  
 2 *ate that Congress should enact this year, with adequate*  
 3 *funding from available resources, legislation that would*  
 4 *support international promotional activities by the United*  
 5 *States National Tourism Organization to help brand, posi-*  
 6 *tion, and promote the United States as the premiere travel*  
 7 *and tourism destination in the world.*

8       *SEC. 211. STUDY OF A GENERAL ELECTRONIC EXTEN-*  
 9 *SION PROGRAM.* *Not later than 6 months after the enact-*  
 10 *ment of this Act, the Secretary of Commerce shall report*  
 11 *to Congress on possible benefits from a general electronic*  
 12 *commerce extension program to help small businesses, not*  
 13 *limited to manufacturers, in all parts of the Nation identify*  
 14 *and adopt electronic commerce technology and techniques,*  
 15 *so that such businesses can fully participate in electronic*  
 16 *commerce. Such a general extension service would be analo-*  
 17 *gous to the Manufacturing Extension Program managed by*  
 18 *the National Institute of Standards and Technology, and*  
 19 *the Cooperative Extension Service managed by the Depart-*  
 20 *ment of Agriculture. The report shall address, at a min-*  
 21 *imum, the following—*

- 22           (1) *the need for or opportunity presented by such*  
 23       *a program;*
- 24           (2) *some of the specific services that such a pro-*  
 25       *gram should provide and to whom;*

1           (3) *how such a program would serve firms in*  
 2           *rural or isolated areas;*

3           (4) *how such a program should be established,*  
 4           *organized, and managed;*

5           (5) *the estimated costs of such a program; and*

6           (6) *the potential benefits of such a program to*  
 7           *both small businesses and the economy as a whole.*

8       *SEC. 212. SENSE OF THE SENATE REGARDING THE*  
 9       *EUROPEAN COUNCIL NOISE RULE AFFECTING*  
 10       *HUSHKITTED AND REENGINEED AIRCRAFT. (a) FINDINGS.—*  
 11       *The Senate finds that—*

12           (1) *for more than 50 years, the International*  
 13           *Civil Aviation Organization (ICAO) has been the sin-*  
 14           *gle entity vested with the authority to establish inter-*  
 15           *national noise and emissions standards; through*  
 16           *ICAO's efforts, aircraft noise has decreased by an av-*  
 17           *erage of 40 percent since 1970;*

18           (2) *ICAO is currently working on an expedited*  
 19           *basis on even more stringent international noise*  
 20           *standards, taking into account economic reasonable-*  
 21           *ness, technical feasibility and environmental benefits;*

22           (3) *international noise and emissions standards*  
 23           *are critical to maintaining United States aero-*  
 24           *nautical industries' economic viability and to obtain-*

1        *ing their ongoing commitment to progressively more*  
2        *stringent noise reduction efforts;*

3                *(4) European Council (EC) Regulation No. 925/*  
4        *1999, banning certain aircraft meeting the highest*  
5        *internationally recognized noise standards from fly-*  
6        *ing in Europe, undermines the integrity of the ICAO*  
7        *process and undercuts the likelihood that new Stage*  
8        *4 standards can be developed;*

9                *(5) while no regional standard is acceptable, this*  
10        *regulation is particularly offensive; there is no sci-*  
11        *entific basis for the regulation and it has been care-*  
12        *fully crafted to protect European aviation interests*  
13        *while imposing arbitrary, substantial and unfounded*  
14        *cost burdens on United States aeronautical industries;*

15                *(6) the vast majority of aircraft that will be af-*  
16        *ected by EC Regulation No. 925/1999 are operated*  
17        *by United States flag carriers; and*

18                *(7) the implementation of EC Regulation No.*  
19        *925/1999 will result in a loss of jobs in the United*  
20        *States and may cost the United States aviation in-*  
21        *dustry in excess of \$2,000,000,000.*

22        *(b) SENSE OF THE SENATE.—It is the sense of the Sen-*  
23        *ate that—*

24                *(1) EC Regulation No. 925/1999 should be re-*  
25        *scinded by the EC at the earliest possible time;*

1           (2) *that if this is not done, the Department of*  
2           *State should file a petition regarding EC Regulation*  
3           *No. 925/1999 with ICAO pursuant to Article 84 of the*  
4           *Chicago Convention; and*

5           (3) *the Departments of Commerce and Transpor-*  
6           *tation and the United States Trade Representative*  
7           *should use all reasonable means available to them to*  
8           *ensure that the goal of having the rule repealed is*  
9           *achieved.*

10          *This title may be cited as the “Department of Com-*  
11          *merce and Related Agencies Appropriations Act, 2000”.*

 15                    *VIOLENCE PROTECTION ACT*

16        *SEC. 801. SHORT TITLE. This title may be cited as*  
 17 *the “Children Who Witness Domestic Violence Protection*  
 18 *Act”.*

19        *SEC. 802. FINDINGS. Congress finds the following:*

20                *(1) Witnessing domestic violence has a dev-*  
 21 *astating impact on children, placing the children at*  
 22 *high risk for anxiety, depression, and, potentially,*  
 23 *suicide. Many children who witness domestic violence*  
 24 *exhibit more aggressive, antisocial, fearful, and inhib-*  
 25 *ited behaviors.*

1           (2) *Children exposed to domestic violence have a*  
2           *high risk of experiencing learning difficulties and*  
3           *school failure. Research finds that children residing*  
4           *in domestic violence shelters exhibit significantly*  
5           *lower verbal and quantitative skills when compared to*  
6           *a national sample of children.*

7           (3) *Domestic violence is strongly correlated with*  
8           *child abuse. Studies have found that between 50 and*  
9           *70 percent of men who abuse their female partners*  
10          *also abuse their children. In homes in which domestic*  
11          *violence occurs, children are physically abused and*  
12          *neglected at a rate 15 times higher than the national*  
13          *average.*

14          (4) *Men who witnessed parental abuse during*  
15          *their childhood have a higher risk of becoming phys-*  
16          *ically aggressive in dating and marital relationships.*

17          (5) *Exposure to domestic violence is a strong*  
18          *predictor of violent delinquent behavior among adoles-*  
19          *cents. It is estimated that between 20 percent and 40*  
20          *percent of chronically violent adolescents have wit-*  
21          *nessed extreme parental conflict.*

22          (6) *Women have an increased risk of experi-*  
23          *encing battering after separation from an abusive*  
24          *partner. Children also have an increased risk of suf-*  
25          *fering harm during separation.*

1           (7) *Child visitation disputes are more frequent*  
2           *when families have histories of domestic violence, and*  
3           *the need for supervised visitation centers far exceeds*  
4           *the number of available programs providing those*  
5           *centers, because courts therefore—*

6                     (A) *order unsupervised visitation and en-*  
7                     *danger parents and children; or*

8                     (B) *prohibit visitation altogether.*

9           (8) *Recent studies have demonstrated that up to*  
10          *50 percent of children who appear before juvenile*  
11          *courts in matters involving allegations of abuse and*  
12          *neglect have been exposed to domestic violence in their*  
13          *homes.*
